REGISTRATION FORM

How Many Left? returns in May 2025 and we will once again be welcoming mass produced cars which now have less than 500 licensed examples remaining.

You can determine your vehicles eligibility by checking on the independent How Many Left website – www.howmanyleft.co.uk or via the DVLA.

How Many Left? is a nostalgic celebration of some of the popular classics, cars that were once common on our roads but are now are seldom seen.

We ask for a charitable donation of £10 per vehicle to offset admission costs.

Please complete this form in full and return by Friday, 2nd May. Once we have received your registration you will be sent confirmation, with further instructions and information following as the event draws nearer. Please provide an email address for this purpose.

Data Protection Act (1998) 2018 Amendment: The personal data on this form may be used by Grampian Transport Museum Trust to send you information about the museum. This information will be used by the Trust only and will not be made available to any third party. If you do consent to this, please tick here []
A copy of the GTM's Privacy Policy is available on request.

Vehicle details

Please note: To establish the rarity of your car, we have adopted the principle that it will be assessed using three levels only. For example: Manufacturer – Rover. Model Name - SD1. Engine Size - 2 litre, 2.3 litre, 2.6 litre or 3.5 litre. Variations in levels of specification and trim and colour etc. will not be taken into account. After careful consideration, we felt that this is the best compromise in the interest of avoiding massive complexity!

In completing the information below, please use consistent data for both the production run and how many left.

Manufacturer Model Name Engine Size
